

VK200Z

200W Zoom Profile

The VK200Z Zoom Led Profile Spot is the latest in LED technology, offering a really useful bright beam in a traditional Zoom Stage Profile Spot. Using quality glass reflector and lenses the light output is a very close to a 750w tungsten traditional spot. Quality of Gobo projection is excellent & crisp as are shapes produced by the 4 shutters. In a strong aluminium housing with heat dissipation by a copper radiator and small fan the lantern is near silent in use making it ideal for stage, TV and studio use alike.

- ◆ Lamp: Cool White 200w Single Epistar Cob LED
- ◆ Lamp life span 10,000 hours
- ◆ Zoom Lens from 15 to 38 Degree
- ◆ Dimmer: Electronic linear 0 to 100%
- ◆ Strobe 1-25 times per second
- ◆ Refresh Rate 400hz Flicker Free for TV & Video
- ◆ High Quality Glass Optics for Precise Gobo Projection
- ◆ 1-3 DMX Channels on 3 & 5 pin XLR
- ◆ Aluminium Housing
- ◆ Working Temperature -30 to 40° C
- ◆ Optional Gobo Holder for size B Gobos
- ◆ 4 Shutters for creating beam shapes
- ◆ Optional Iris for Beam reduction
- ◆ Gobo Holder for size B Gobos
- ◆ Lantern size 60 x 27 x 39 cm
- ◆ Weight: 8.8kg
- ◆ Mains in & out on Powercon
- ◆ Almost silent cooling via copper radiator
- ◆ Supplied with colour Frame for filter
- ◆ Power: 250w 100-240v 50-60Hz, auto sensing
