

VK1925/7 Spectrum

19x25w 7 Colour Zoom Wash

The 1st of the new breed of 7 Colour Moving Wash Lights, the VK1925/7 Spectrum is equipped with Osram RGBW COB Leds, but in addition has Amber, Lime Green and UV LED, making it unbeatable in terms of colour generation and effects. Coupled with extra large Lens optics & 3 rings being addressed individually, makes it the No 1 choice for Eye Candy Effects whilst being a versatile wash or beam light.
