## *Titan*

### 19x40w LED Zoom Wash

The VK1940 Titan is one of the brightest theatre LED wash lights, but with so much more as well..... equipped with 19 x 40w Osram RGBW COB Leds & wide zoom lens from beam spot to soft wash & near silent operation makes it unbeatable in terms of theatre stage wash effects. Coupled with extra large Lens optics & 3 ring zones being addressed individually makes it the No 1 choice for Eye Candy Effects whilst being a versatile wash or beam light.
