

VK1941

19 x 40w Super Vortex

The VK1941 Super Vortex is a powerful Beam / Kaladiscscope / wash with great Eye Candy Fx, rich colours & flower / beam effects with it's large 19 facet rotating lens & 19 x 40w RGBW Osram COB Led's making it ideal for use on stage indoors & out due to it's extreme brightness whilst being very quiet.
