

VK760

7 x 60w Vortex 7 Light

The Vortex 7 is the latest in large lens Beam / Kaladiscscope / wash Eye Candy with rich colours and great flower / beam effects whilst having a real presence on stage with it's large rotating lens with 7 x 60w RGBW Osram COB Led's making it ideal for use on stage indoors & out due to it's extreme brightness whilst being very quiet.
